Important News

Inventory on our import lines may be impacted this quarter, as the long shoremen prepare to go on strike.

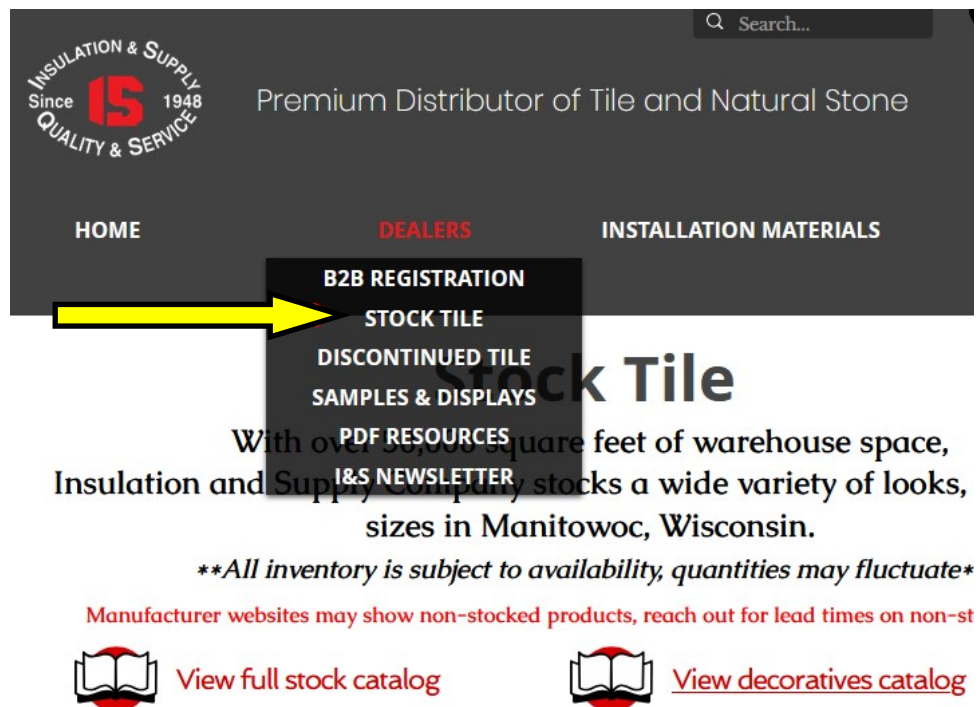

As of now, we are fairly well stocked and hope to make it through this time with little to no issues. We will keep you posted of any possible issues, as they come.

Domestically sourced lines will not be impacted.

There has been a new addition to our website! We now have catalogs for our stock lines and decorative/small format options.

These can be found on the stock tile page of the Dealer Section on our website.

Under "DEALERS", a dropdown menu is open, listing "B2B REGISTRATION", "STOCK TILE", "DISCONTINUED TILE", "SAMPLES & DISPLAYS", "PDF RESOURCES", and "I&S NEWSLETTER". A yellow arrow points to "STOCK TILE". Below the menu, the text reads "Stock Tile" in large font, followed by "With over 30,000 square feet of warehouse space, Insulation and Supply now stocks a wide variety of looks, sizes in Manitowoc, Wisconsin." Below this is the disclaimer: "**All inventory is subject to availability, quantities may fluctuate*" and the note: "Manufacturer websites may show non-stocked products, reach out for lead times on non-st".
